A D R I E N N E

<https://www.learnwithadrienne.com/>

Adrienne is a speech language pathologist who provides strategies to help children talk clearly, listen well, and learn life skills. She includes videos, free downloads, and activities for young children to facilitate communication development. You don't need to buy fancy toys, materials, and gadgets to help your toddler talk more. Adrienne will teach you how to layer in language skills into the mundane moments and the daily routines you are already doing with your toddler.
