Welcome

Welcome and thank you for caring about our schools and sharing your time and talents for the benefit of the students. Volunteers are important role models for our students who provide a variety of services that help enrich and enhance school curriculum while offering valuable life experiences. The rewards you receive may not be monetary, but by passing on a little bit of yourself, you will have the satisfaction of knowing that you may have influenced a student for a lifetime.

We hope you will enjoy your experience and the time spent in our schools!
