WHY CHOOSE CREATING LEARNERS PRESCHOOL?

- Warm, caring, supportive and highly-trained teachers and staff
- Individualized attention and learning goals
- Outdoor and indoor spaces designed for exploration, movement, and fun
- Enrichment specialists in science and music for whole-brain development
- Alignment with Alexandria Public Schools' curriculum for a smooth transition to elementary
- On-Site before and after school care - Cardinal kids

What will my 3 year old learn?

Your three-year old is discovering a love for school and building confidence in their abilities during our 2 or 3 day a week programming. Your child will gain social skills, pre-academic skills and independence with the help of supportive staff and a warm, safe environment.

Meet Emily Webber

My Name is Emily Webber! This is my eighth year teaching and each year it is so fun to watch children grow both cognitively and socially! My husband and I moved to Alexandria in 2011 and we have two kids with one on the way. I not only get the pleasure of working here, but my son also attends preschool here three mornings a week! The Early Education Center is a wonderful place for all members of your family to learn and grow!

Meet Tracey Kissner

My name is Tracey Kissner and this is my 3rd year teaching three classes at the Early Education Center. This is my 11th year teaching preschool and I love it for so many reasons!

My daughter and I moved to Alexandria in 2015 and have grown to love the lakes area! My daughter attended 2 years of Creating Learners Preschool, which started her love for school. Now, as a mom of a kindergartener, I am much more at ease with her moving on knowing that she had 2 great years of experience to prepare her!

What will my 4 year old learn?

Four and five year-olds are preparing their minds and bodies for their experience in Kindergarten. Let us support your child as they put their natural curiosity to use to discover problem-solving strategies, cause and effect relationships, pre-writing and reading skills, and more complex social skills.
