About Miltona Science Magnet Elementary School

Miltona Science Magnet Elementary has an emphasis on the environment and science. Located on 12 acres of wooded hills and trails, a meadow and wetlands area, its motto is: "Branching out to create an appreciation of our environment." Teachers integrate science into the curriculum through the use of their outdoor classroom and school forest. Students can utilize cross country skis, snowshoes, GPS devices, digital cameras, an ice rink and a sledding hill on a daily basis.

The school features up-to-date technology opportunities for students at all levels. Each student has a 1-to-1 Chromebook device and each classroom is equipped with an interactive TV. Special area teachers instruct in physical education, science, music, art and media/technology. Specialized programming is offered through Reading Intervention, Special Education, Leveled Literacy Intervention and classes for High Potential Learners.

Miltona has been recognized as a Reward School five times and received the School of Excellence Validation in 2015. A new updated playground was installed in 2017.

144
students

100%

of parents agree/strongly agree that "the teacher challenges my child to reach his/her full potential" as measured by our annual parent survey.

100%

of parents agree/strongly agree that "my child enjoys going to school" as measured by our annual parent survey.

87.5%

of teachers have **3+ years** of experience

Have questions? Ready for a tour?

Please feel free to contact the school's main office at 877-736-1419 or email Principal Wunderlich. Alexandria School District welcomes non-resident students through Minnesota's Open Enrollment program. You can obtain an open enrollment application from the superintendent's assistant at (320) 762-2141 ext. 4213 or mtimm@alexschools.org, or online at alexschools.org/openenroll.
