Preschool Screening

The Early Education Center offers free developmental screening that is required prior to entering Kindergarten or 1st grade. Provided your child is in our district's census, you will receive an invitation to attend when they are approximately 3 ½ years old. If you have concerns or questions, please call the **Early Education Center at 320-762-3305.**

Birth Certificate

You will need to present a copy of the birth certificate to verify your child's date of birth and legal name. Your child is eligible to enroll in Alexandria Public Schools if they are five years of age on or before September 1st. If you do not have a copy of your child's birth certificate you may obtain one at:

Douglas County Courthouse

305 8th Ave. W
Alexandria, MN 56308
Recorder's Office 320-762-3877

For children born elsewhere in the United States, you may order on-line at Vitalchek.com or contact the county in which your child was born.
