Returning Your Chromebook

1. End of Year

At the end of the school year, students without insurance or the summer rental option will turn in their Chromebooks and all issued peripherals. Failure to turn in a Chromebook will result in the student being charged the full \$360.00 replacement cost. The district may also file a report of stolen property with the Alexandria Police Department.

2. Transferring/Withdrawing Students

Students who transfer out of or withdraw from Alexandria Public Schools must turn in their Chromebooks and cases to the Media Center on their last day of attendance. The district may also file a report of stolen property with the Alexandria Police Department.

Insurance Option

Alexandria Public Schools strongly recommends that insurance be purchased prior to the distribution of the Chromebook to your student. The individual insurance cost is \$50.00 annually (About \$4.15/month) for each Chromebook with a \$125 family maximum. Each claim covered by insurance will be assessed an incremental deductible within the current school year. Claim deductibles are listed below. If a student withdraws from school and then re-enrolls later in the current school year, the coverage purchased at the student's initial registration will be reinstated along with the number of claims made prior to withdrawal.

Annual Premium Due at Registration	Deductible Claim #1	Deductible Claim #2	Deductible Claim #3
\$50 per device (Includes Summer Rental)	\$0	\$50	\$100

Insurance Notes:

- Insurance will only be available to be purchased up to the end of the first week of school or within 1 week of the student starting
- Insurance is non-refundable if student withdraws early
- Taking the unit apart or tampering with the unit will void insurance coverage and result in loss of insurance premium and deductibles as well as may incur a fee to repair the device.
- Intentional abuse will void all insurance coverage and student will be charged for full replacement costs
- Insurance does not cover loss due to theft or misplacement
- All previous year charges must be paid prior to a student being issued a Chromebook

Training

Students will receive regular training to address care and usage of the Chromebook as well as usage of Google Apps (Alexschools.org Accounts). Regular Digital Citizenship training will also be provided during the school year to address respectful, responsible, and ethical use of the internet and digital tools.

No Expectation of Privacy

Students should have no expectation of confidentiality or privacy with respect to any usage of a Chromebook, regardless of whether that use is for district-related or personal purposes, other than as specifically provided by law. The software originally installed on the Chromebook must remain on the Chromebook in usable condition and be easily accessible at all times.

All Chromebooks are supplied with the latest build of Google Chrome Operating System (OS), and many other applications useful in an educational environment. The Chrome OS will automatically install updates when the computer is idle or restarted.

5. **Respect Intellectual property.** I will request permission to use copyrighted or otherwise protected materials. I will suitably cite all use of websites, books, media, etc. I will acknowledge all primary sources. I will validate information. I will use and abide by the fair use rules.
