

● Time For Toddlers

12-23 Months

Location: EEC Classroom D123

Exploration is the toddler's way of life. New and fast development moves babies into toddlerhood. Parents, come with your toddler for stimulating activities and suggestions for supporting healthy development! You will have fun learning activities together when you arrive. After circle time, parents will split into a discussion on toddlers' social, emotional, and physical development while children continue to explore and learn with an early childhood teacher. Sibling Care is available.

- Social and emotional development
- Vision and hearing

Required for every Minnesota student just after turning 3

● Prime Time Two's and Three's

2 - 3 Years

Location: EEC Classroom D119

Preschoolers are engaged in the world around them in fun and sometimes challenging ways. Explore and learn together with family activities when you arrive. After circle time, parents will split into a discussion group to learn about developmental stages and the changes that happen in the early years. Meanwhile, children stay with an early childhood teacher to continue learning through playful activities. Sibling Care is available.

● 2023-2024 ECFE Extra

Our Ready, Set, Go! to Preschool Experience
Location: EEC Classroom D119

Young preschoolers are excited about learning! With the support of parents and teachers, children experience a fun way to ease into preschool with this ECFE Extra experience. Parents and children will have fun doing activities together on the first day of the week, followed by a parent discussion focusing on real-life ways to support preschoolers' development. Children will attend a 2-hour class by themselves two days later to gain confidence with a preschool experience in a warm, fun environment. This class is for children who will be three by February 1, 2024 and their parents. Sibling care is available only on Mon/Tues; No sibling care on Wed/Thurs.
