C. The district will maintain current job descriptions for the employees of the district, including:
   - Job summary
   - Job duties and responsibilities
   - Job requirements

D. The district’s Human Resources department will complete necessary compliance reviews and report this information as necessary. This information will also be used in the work agreement negotiation process with various employee groups.

C. “Class” means one or more positions that have similar duties, responsibilities and general qualifications necessary to perform the duties, with comparable selection procedures used to recruit employees, and use of the same compensation schedule.

IV. COMPLIANCE REQUIREMENTS AND REVIEWS

C. Any employee may appeal his/her class or position by submitting a written request to the district’s Director of Human Resources. The Director of Human Resources will review the appeal and contact the district’s consultant in comparable work value and equitable compensation to determine if there is a need for a change in the employee’s class or position.

The decision of the consultant is final. If a change in the class or position is required, the district will make necessary compensation adjustments effective the start of the next fiscal school year.

D. Appeal Timeline - The following timeline will be used for all appeals of class or position in the district:

- March 1st: An employee must submit in writing the request for an appeal of his/her class or position. This request shall be directed to the Director of Human Resources.
