## Letter from the Principal

Dear Families,

I hope this letter finds you all in high spirits as we step into the month of March! It brings me immense joy to share some wonderful updates and upcoming events from our elementary school community.

First and foremost, let's celebrate the incredible accomplishments of our young students. From academic achievements to acts of kindness, they continue to shine brightly in various areas. Their enthusiasm and dedication inspire us all!

The annual STEAM Expo is just around the corner, set for March 21st from 4:30-7:30 at Alexandria Area High School. It's a fantastic opportunity for the community and school district to showcase the creative and scientific wonders happening in our community. I encourage all our students to participate and explore the wonders of science.

Additionally, parent-teacher conferences are scheduled for March 7th, 8th and 11th. These meetings are crucial for us to discuss your child's progress, strengths, and areas for growth. Your active involvement in your child's education is greatly appreciated and contributes significantly to their success.

Parents, your partnership is invaluable to us. I want to thank everyone who helped make our Bingo for Books and school dances such a success. A huge thank you to those who stayed after to help clean up after the event(s). Our communities continuously amaze me with the support they show our schools in every instance.

In closing, let's continue to foster a culture of kindness, curiosity, and resilience within our elementary school community. With your support, our students are capable of achieving amazing things!

Warm regards,

Troy Wunderlich
